EXPERIENCE

Data analysis
Presidency College

📅 04/2025   📍 Chennai, India

- Recently, while working on a 'student performance analysis' project for a presentation, our 'Naan Mudhalvan' encouraged us to use these skills. My friends and I collaborated as a team and successfully completed it!
- Produced monthly reports using advanced Excel spreadsheet functions.
- Enhanced business efficiency by identifying trends and patterns in complex datasets.

Web Development
Free Code Camp

- I completed a comprehensive web development course and built my portfolio websites and responsive web sites
- obtained a new certification: Responsive Web Design from **freeCodeCamp**!
- Proficient in Git and GitHub, managing and hosting personal websites
